**Sunday School Volunteer Opportunities:** In order to provide the best possible experience for our students we rely on the talents of individuals from the congregation. Please consider serving our Sunday School program in one of the following capacities. Not all opportunities are within the Sunday School hour or require a weekly commitment.

**We need leaders and volunteers for the following committees. Please check next to the program of your interest.**

- Lifepacks *service to community*
- Angel Trees *service to community*
- Sunday School Supplies *service to our Sunday school*
- Arts enrichment *service to our Sunday school*
- Sunday School planning *service to our Sunday School*

**We appreciate your support in the classroom as well. Please indicate below to serve in the classroom.**

# Sunday School Registration and Permission Form 2015-2016

Greetings, and welcome to Silverdale Lutheran's Sunday School education program. We are excited that your child will be joining us for the 2015-2016 school year, and we hope to provide a space for them to have meaningful and enriching experiences throughout the year. This form will be used by the Sunday School staff to equip them with the necessary information to build a relationship with your child. We encourage you to share the level of information you deem necessary for volunteers and staff to act with accountability in whichever circumstance requires such action. If you conclude that you would prefer to leave a section incomplete, please initial and date the incomplete areas. If you list medical concerns for your child, it is important that you also speak directly with teachers about important medical information, such as food and medical allergies.

This year Sunday School begins with Rally Day on September 13<sup>th</sup> and the first day of Sunday School on September 20<sup>th</sup>. We encourage you to introduce yourselves to your child's Sunday School teachers at the beginning of the year and express any questions or concerns to the teachers or to Lisa Ramstad. With great anticipation, we look forward to this year. Sunday School is fundamental in building an intergenerational community of support in our search for meaning and belonging. The shared learning with peers and teachers, relating our stories to the Christian story, and finding new friends and shared interests all contribute to a strong and dynamic faith community. We hope these experiences bring a new richness to discussions about religion and the meaning of church to your family.
