Love in Action

Girl Scouts at SLC

Troop 43860 Led by Kathleen Johnson & Tracey Griffith These 17 girls have been together since Kindergarten...currently in Grades 6-8 as Juniors & Cadettes. The troop meets on Tuesday night every other week. They camp together and do many service projects including Life Pax and Socks & Sundries hygiene packs. Some will be competing in the Cascade Challenge & others are working on their Silver Award.

In 2018, SLC began opening our Gathering Place doors to the Girl Scouts, their leaders and families. Why is this so important? Kathleen Johnson shares: "I volunteer my time because I believe in scouting and I want to help our girls build character and become caring, confident, courageous citizens of this world.... plus, I love hanging out with Emma!" Kathleen & Jo Riffner, both connected with SLC, are serving in many Girl Scout leadership roles within Kitsap. Indeed they each have a heart for empowering young women into their futures.

Thank you Jo, Kathleen and SLC for doing God's work by making a difference in the lives of girls through scouting!

Congratulations!!

Silverdale Lutheran Church recently received the **Community Partner Award** for outstanding service to Girl Scouts of Western Washington.

Troop 41439 Led by Miranda Fort & Erin Richards These 13 girls in K - 2nd grade meet every other Tuesday night, exploring what scouting means and learning about weather science, art, friendship and much more!

Interested in more information?? Contact the Girl Scouts Bremerton Office @ 800-541-9852 or www.girlscoutswa.org for details on Girl Scout programs in Western Washington.

WAGS "We are Girl Scout Hikers" Led by Jo Riffner 12 girls, grade 6 & up, learn outdoor skills, the ten essentials and how to plan their own adventures. They meet twice a month on Friday night and hike once a month in the Pacific Northwest.

God's work. Our hands.

Troop 45494 Led by Lisa Mitchell 34 girls from Kindergarten to 7th grade meet on the 1st & 3rd Friday of each month. Through doing a lot of badge work, the scouts learn skills and ways to help our community and the environment.
