The Coffee Oasis is a faith-based, non-profit organization that consists of two things: coffee businesses and youth programs.

The cafés provide community gathering places and serve their self-roasted coffee from direct-trade coffee beans. All proceeds support the Oasis youth programs which offer friendship, belonging, resources, and opportunity to all homeless and street-oriented youth, ages 13-25.

What is the mission, the hope of The Coffee Oasis?

### OUR HOPE

Our **hope** is that youth know that they are wanted – that they belong. They don't need to keep running, angry and alone.

We **hope** they grow up to be good and wise men and women.

We **hope** they are restored in relationship with their family, their community, and God.

Silverdale Lutheran Church supports *The Coffee Oasis financially, through the gift of quilts for the shelter and with folks who choose to volunteer their time.*

*Thank you to SLC and everyone who purchases a cup of coffee for choosing to do God's work and LOVE KITSAP!!*

Coffee Oasis businesses support coffee farm communities by using only Direct Trade beans, organic & shade grown. This effort translates into fair wages and community development for the farmers. Farmers are empowered to change their communities.

A ministry started in 1997, there are now two main ways The Coffee Oasis businesses play a role in caring for homeless youth: job internships and coffee roasting. Youth can participate in job internships at the various Coffee Oasis businesses, learning skills and gaining confidence, as they work towards permanent employment. The Coffee Oasis also roasts its own coffee at the Bremerton Burwell Cafe.

*How can you support the ministry of The Coffee Oasis?*

Make a point to frequent one of the cafés and purchase a cup of coffee or a bag of coffee!

Did you know that one bag of Coffee Oasis coffee provides one day of a youth's job internship?? Your purchase at the café or online truly does make a real difference!
