

Mission: To feed the hungry and share the love of Christ one meal at a time

August 7, 2019

Love in Action

Life Pax

- Feeding the body & nourishing the soul -

come...and I will give you rest

Linda Drury RN, CCRN, MAC Min
Life Pax Executive Director/President

Linda researched and developed Life Pax while completing her Masters in Christian Ministry. Linda's 35 year career as a trauma/ICU nurse, her passion for counseling and parish nurse ministry, youth and literacy efforts, and her experiences on medical & outreach mission trips across the globe...all led to Linda also striving to make a difference locally through Life Pax...starting with her own church.

Thanks, Linda, for doing God's work!

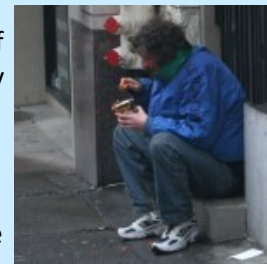

Life Pax began as a personal response in obedience to Biblical commands to feed the hungry and share the love of Christ with the world. Life Pax is a healthy, inexpensive, convenient, compact, nonperishable meal that can be eaten on the spot...and so easily handed out of the car window when stopped at intersections with hungry folks in need. Life Pax shares not only a single meal, but also practical social service resource information.

Many social agencies and charitable organizations that work with the hungry-poor recognize Life Pax as a valuable asset to the community, reaching a segment of the population not easily accessible to them. Life Pax is designed to help these hard-to-reach individuals by providing contact information, thereby potentially linking more folks to local community services.

In 2007, Life Pax became a 501c3 incorporated in Oregon & Washington. Silverdale Lutheran is one of many churches and organizations who assemble Life Pax and distribute them in their own communities.

Thanks to all SLC folks who help assemble Life Pax, keep Life Pax in your vehicle and share a meal with the hungry in our community! Thanks for LOVING KITSAP!!

At each God's work. Our hands Servant Event, we assemble 125 Life Pax. Why not make it a point to come on September 8th and help package up the next 125? You can find the completed Life Pax in a wooden crate near the church entrance. Pick one up as you leave worship to share with a hungry neighbor.

The youth who assisted at the Life Pax servant stations.

One Life Pax includes:
1 can Chef Boyardee Ravioli
1 juice box 1 granola bar
1 pkg fruit snacks
1 spoon & napkin
Local resource brochures – including Hearty Meals

The Life Pax assembled at and distributed through SLC are financially supported by the Silverdale Lutheran Church Women, the Esther Circle, Thrivent Action Teams and individual donations.

God's work. Our hands.
