

Love in Action

SLC Greeters Sacred Grounds

Good Morning! Welcome!
We are so glad to see you!
My name is
We are excited about our
worship/event/class today!
Thanks for being here!

Since God created us for relationships, God's work at Silverdale Lutheran always involves hospitality...welcoming one another as we gather for worship, a class or event. SLC strives to be a friendly place of connection...folks sharing their smiling faces and cheerful welcome to all those who enter our doors. *Sunday Greeters* warmly stretch out their hands with that first hello and share a gift bag with new guests as they leave. *Sacred Grounds* is a recent intentional new ministry to connect folks following the 11:00 Sunday worship. Enjoying snacks and conversation is a great opportunity to get to know one another just a little bit better.

*To all those who share their welcoming heart at SLC,
THANK YOU for doing God's work through your hospitality!*

Hi! I'm Kim Grasmick.
To volunteer for either
of these ministries,
please give me a call at
253-709-3012. Thanks!

*How can you help bless others
with the gift of hospitality?*

Greeters Three individuals are needed before and after each worship service. People of all ages & physical capabilities can serve as greeters.

Sacred Grounds Sign up to host one week... you purchase and layout food, make sure the coffee is full and help clean up. This ministry is fully funded, so all costs are reimbursed.

Everyone Simply share a welcoming smile and heartfelt greeting with those you see...especially someone new to you!

God's work. Our hands.
