Love in Action

Olympic Lutherhaven Camp

Our Bible Camp & Picnic Area on Wildcat Lake since 1955
9375 NW Holly Road - Bremerton

Olympic Lutherhaven Camp began with a vision of SLC member Emil Sunderland, and eventually five other Lutheran churches, who faithfully worked to turn Rosey's Roost Resort into a Bible Camp. Over the summer months, SLC uses the camp for Family Camp, our church picnic, The Middle Camp, All Church Camp, weekly youth nights and Mom's Circle gatherings, as well as a fall youth retreat...with food, great fellowship, games, a firepit, bible study, swimming, boating...above all, relaxing with family and friends in God's creation!

Yes, this wonderful camp belongs to you!! In 2018, SLC gave \$12,355 towards this ministry...and many hours of volunteer labor! It is the helping hands and passionate hearts of SLC folks that work to keep Lutherhaven going strong.

How can you be involved?? Monthly work parties are held to focus on needed repairs/projects and the annual clean up day is a great way to help get the camp in shape for the summer.

Thank you Bob, Don, Jeff and all SLC folks who share their time and talents doing God's work at Lutherhaven!
