Love in Action

SLC Mission Trip - Hoquiam May 4 - 5

Our servant team worked with Family Promise of Grays Harbor...a unique shelter system that allows families to stay together while helping them transition into stable housing. We helped organize their food pantry & new Day Center, did some grocery shopping and prepared a meal.

An intergenerational team of 22 folks traveled to Hoquiam to partner with Saron Lutheran/First Presbyterian Church to share their servant hearts and helping hands with the community. Deuteronomy 15:11 was one of the devotional verses for their weekend of service: *"For there will never cease to be poor in the land. Therefore I command you, 'You shall open wide your hand to your brother, to the needy and to the poor, in your land.'"* And so our SLC team got to work! Thank you!!

We served homeless folks a dinner meal through Chaplains on the Harbor.

We each are called to live generously!

Hardworking & creative gardeners weeded and prepared beds in the church's Gospel Garden. The community gardeners will grow produce for their own use and will donate 25% of their crops to the monthly community meals, food preparation classes for the community and the Hoquiam Food Bank.

Before...

After!

God's work. Our hands.
