Love in Action

Always time
for games of
all kinds...

"...camp was the first place I
could truly be myself" ...

"I don't get to church much,
but felt very connected to
God at camp" ...

"I had the time of my life" ...

Each summer Silverdale Lutheran not only offers
Middle Camp for our youth, but invites youth from
our community join in this amazing experience.

*Thank you SLC youth, counselors & Pastor Jonathan
for building relationships centered in Christ!*

Swimming, kayaks, canoes, paddleboards, playing
fields, basketball, volleyball & Nine Square in the Air!

Grit & faith takes guts!

The youth enthusiastically embraced
the Talent Show that evolved into a
super fun dance party!

The eighth graders each received a blessing at the final fire pit.

The serenity of Wildcat Lake provided
times for reflection, sharing the faith
and simply enjoying God's creation!

God's work. Our hands.

Ga Ga Ball Pit - a game like dodgeball underhand where you hit opponents
below the knee to get them out. The Pit was installed this year as a SLC
Confirmation Project by Ben Thompson, Oliver Larson, their dads and mentors.
Thanks for doing God's work with your hands!
