Love in Action

Bremerton Foodline

"The mission of the Bremerton Foodline is to provide food assistance and other services to reduce hunger and improve self-sufficiency for those within our community."

Organized by a coalition of churches, social service agencies and individuals, the Bremerton Foodline has been a source of emergency food and assistance referrals since 1980. Once operating out of a church basement, Bremerton Foodline has grown into an organization with four part-time staff and a large volunteer team in their own warehouse facility. With the move to this new facility in 2001, they became a USDA Commodities distributor and delivery drop point. The warehouse serves both clients as well as other food banks in the Kitsap County Foodbank Coalition and assistance agencies throughout Kitsap and North Mason counties. Bremerton Foodline has also partnered with emergency planning efforts to support food access in the event of a disaster.

What services does the Bremerton Foodline offer?

Emergency Food Assistance Provides emergency food sufficient for a balanced diet for 3 - 4 days. Specific quantities & contents vary with family size and item availability. Clients may request this service once a month.

Commodity Supplemental Food Program Is a distributor of USDA commodities. Those eligible need to bring ID showing a local address and declare they meet state income limits.

Holiday Baskets Special food baskets are provided at Thanksgiving and Christmas

Referrals to other appropriate agencies
