

## **Assistant Music Director Position Announcement**

Silverdale Lutheran Church welcomes nominations and applications for the internship position of Assistant Music Director. The work schedule for the position would normally be 8 hours per week. The work schedule would exclude the months of July and August (9 weeks) and would begin in September 2020.

### **Background**

Silverdale Lutheran is a vibrant, multi-staff congregation serving people in Kitsap County, Washington. With an average Sunday worship attendance of 375, worship and music are at the heart of our identity and mission. People at SLC value meaningful worship and see Word and Sacrament as the primary way we connect to Christ, making music ministry one of our highest priorities. We believe our ministry is an essential part of our proclamation of the Gospel.

SLC's current worship style is best described as blended. There are numerous ensembles that participate in worship, including: Choir, Bell Choir, Folk Band, String Ensemble, Brass Ensemble, Kid's Choir, and Youth Band.

The congregation enjoys liturgy and has become a place where new music is composed and performed. We appreciate traditional hymns, newer hymns, folk music, and praise songs. There are two services on Sundays which use the same liturgy. With a large pool of people with musical gifts, SLC is hoping to expand our number of choirs, incorporate more musicians in worship accompaniment, have frequent solos in addition to our choir offerings, and have our music ministry be an outreach to our community.

### **Candidate Profile**

The ideal candidate will have experience in the field of church music and programming. They ought to be eager for the opportunity to participate as Director or Accompanist for our ensembles. They will have the desire to learn about traditional Lutheran liturgy, music program management and be an effective communicator.

### **Compensation**

An hourly rate of \$13.50/hour.
