Do you have an extra DVD player?

A few of our congregation members do not have a computer or access to the internet to participate in worship. We are looking for DVD players that they can use to watch the worship DVD every Sunday. If you can assist, please email [Kathleen](#).

A Note from your Ministry Program Coordinator...

We at SLC love our fellowship, events, birthdays and anniversaries.... In the midst of the Covid-19 Pandemic & mandatory quarantine, we can still look ahead to the future. There is now a [bi-weekly ONLINE Beacon](#) to stay up to date. You can click the link above or visit the SLC Website as well. Remember, if you sign up or [RSVP](#) for a "planned gathering" please hold off on any payments until we know for sure we are clear to gather.
