

Dear Friends and Members of SLC Youth,

We are sad to announce that this weekend's auction will be postponed due to a couple of factors. First and foremost, we are concerned for the many supporters of our youth who are at higher risk, some of whom have already canceled their reservations. Secondly, the auction itself involves a lot of close quarters and contact, including a meal. We felt that was not a best practice at this time. Lastly, the auction is an event that CAN be rescheduled. We do not have details yet, but we are looking at rescheduling later in the spring. This will give us some space from the present concerns and possible risks, or give us a chance to offer these amazing items in an online format.

Our thanks to all our donors. We assure you that we will find a way to bless our youth and their faith experience with your donations and your generosity. We also want to thank those who signed up to bring desserts. Hopefully we have caught you in time.

We will have worship as scheduled this Sunday, but will continue to broadcast our service on Facebook Live as well.

Peace,
