

SLC BEACON

Zoom Coffee Hour—you are invited!

The Zoom Coffee hours have been a wonderful way to stay connected and really meet people. I've made much closer connections with people that I only had a nodding acquaintance with prior. I know that those relationships will continue once we are able to gather in person again. *Dawn R.*

Man Date Returns

Aug 11th @ 6pm

Bring your lawn chair, dinner and a beverage, and we will physically distance while being together!

Dear Silverdale Lutheran Church,

There aren't enough words to thank you all for the amazing send-off over the past few weeks. I will miss you all so much and treasure your kind words and sentiment. I will also treasure the generous gift of Logos software and funds to purchase some clergy clothing. Again, your generosity is boundless. I will carry you all in my heart and in my prayers.

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. It is right for me to feel this way about all of you, since I have you in my heart and, whether I am in chains or defending and confirming the gospel, all of you share in God's grace with me. God can testify how I long for all of you with the affection of Christ Jesus. - Philippians 1:3-8.

Peace, Marietta

Intern Update: Marietta Nelson-Bittle, who just completed her pastoral internship at Silverdale Lutheran and served as small groups connector for the past two years, is pleased to announce that she will begin serving as the half-time pastor at Christ Lutheran Church in Federal Way on Sept. 8. Thanks again SLC for all your love and support. - MNB

New Group for Cancer Patients, Survivors

We are exploring the possibility of a new small group for those experiencing cancer or who have survived cancer. This would begin as a relatively informal group, especially as we continue to physically distance, to support each other through email, phone calls or notes.

Dear SLC Congregation,

Thank you so much for gifting me the Silverdale Lutheran Church scholarship! You have all provided a space for me to grow into the person I am today, a space for me to write and speak and sing and share my gifts. Even though I cannot exchange hugs or handshakes or high-fives with you all, know that from the bottom of my heart, I thank you for being my church family.

Much love, Abigail Thompson

I would like to thank everyone for all the cards and phone calls I have received during my recovery and for the flowers, communion and visit from Pastor Bill, Darcy and Kim. I'm still having a very difficult time reading and typing e-mail has to be done while trying to hold a magnifying glass.
