

## Small Group Corner

“Create effective social spaces where people can meet new friends and learn about God together!”

What are responsibilities of participation, continued? “Be known” and “Really listen.”

What does it mean to “be known?” We all keep parts of us hidden, it is human nature. We need be ready to share our feelings, values, thoughts, fears, dreams, etc. to get the most out of small group. Some will only come with time and a developing trust within your group.

What does it mean to “really listen?” The art of listening is more than hearing. It is empathy for the speaker, it is “being with” the speaker. It should be one of the highest priorities of the group.

“Being known” and “really listening” are a strong part of the connectedness successful small groups obtain.
