

Small Group Corner

“Create effective social spaces where people can meet new friends and learn about God together!”

What are responsibilities of participation, continued? “Learn New Skills.”

“Groups are about growth.” (Making Small Groups Work, 2003) Each of us should be growing in our groups. Our knowledge of the bible and spiritual growth are the obvious areas. Our relationships with others should also make us better people and help us on our journey to become who God wants us to be. We need to be open to the experience that small groups offer and willing to let it change us. “...for it is God who is at work in you, enabling you both to will and to work his good pleasure.” (Philippians 2:13)
