100 A ROBOTICS & CODING AFTERNOON FOR STUDENTS

ATTENTION! DOTTING PARENTS or GRANDPARENTS!

A ROBOTICS & CODING AFTERNOON FOR STUDENTS

Give 4 students(ages 6 up) of your choice a high-speed spin into the world of robotics and coding. We are offering an introductory 3-hour fun filled course in Robotics and Coding!

This hands-on class will be conducted by Marilyn and Tom Hawks using innovative robots as a fun device for students to learn 2-3 primary ways to code. Edison robots were developed in Australia and provide a superb learning platform to learn robot / coding fundamentals.

- Tom & Marilyn have just completed presenting a 6 week after school robotics course at Esquire Hills ES.

- All materials & robots used for the class will be provided by Tom & Marilyn. Snacks will also be provided.

- At the conclusion of the class, the students will have:

- o learned a minimum of two or three coding languages,

- o had a truly fun time doing so, and,

- o an opportunity to demonstrate the skills they have learned to their sponsors (parents, grandparents, or benefactor) at the conclusion of the class.

103 Cruise to Blake Island aboard the Pacific Star with John, Marilyn, & LaRae Adair.

We would depart around 1000 from the downtown Bremerton marina, returning 3 or 4p. We will furnish sandwiches, etc. for lunch & can host 12 people, give or take. If we can get a slip in the State Park marina, you will have an opportunity to explore some of the island or just enjoy the views. The minimum starting bid is \$480 for a group, or \$40 single, all going to our youth. The best dates, considering tides and best chance of getting a slip would be Monday or Tuesday, 12 or 13 June. Weather may influence a change. I can be contacted at (360)674-8756 if anyone has questions.

115 Sporting Clays with Ducks Unlimited & the Adams

Day Excursion to Blake Island State Park On the Motor Yacht Grand Enough

Join Steve and Debbie Slaton on a day cruise to Blake Island for up to six guests. Blake Island is a Washington State Park and is only accessible by boat.

An example itinerary might be:

- Embark the guests (maximum of six) at the Port of Silverdale marina at 8:00am (times may vary depending on tides/currents)
- Transit to Blake Island via Port Washington Narrows and Rich Passage (about 2 hours). Pastries from Monica’s Waterfront Bakery + coffee/juice available enroute.
- Guests explore Blake Island from about 10:00am until about 1:00pm
- Lunch provided on the boat from about 1:00pm until about 2:30pm
- Depart Blake Island for return to Port of Silverdale at about 2:30pm. Refreshments along the way home depending on the desires of the guests.
- Disembark guests at the Port of Silverdale at 4:30pm – 5:00pm

All the above is notional. Once the guests have been identified we would work details to suit their schedules and interests.

Regarding schedules: we would work with the guests to select dates to meet their desires and our own cruising plans. Blake Island can be a good destination from late March to early October.
