Dear Brothers and Sisters in Christ,

We are pleased to have shared with you last Sunday the new virtual pipe organ Meta Organworks is building for us and wanted to let you know we have created a special webpage dedicated solely to the organ.

You will find all kinds of information there from Sunday presentations, frequently asked questions, and links to various websites that have information about the organ, including videos of the organ being played. We hope it will be a helpful resource for you. <https://bit.ly/SLCOrgan>

We anticipate organ delivery the week of August 24 with installation completed that same week. Meta Organworks founder Daniel Lemieux, an award-winning organist in his own right, will then provide us with the first musical offering from the new organ. How exciting is that?

This organ has been paid for by estate gifts from various Silverdale Lutheran members. The families of those who provided this gift should feel good knowing their family member has created a lasting legacy for the whole church. Their gifts are timely as our current Rodgers organ is becoming obsolete with replacement parts no longer made.

An e-mail went out to you yesterday inviting donations toward the purchase of this organ. We would like to reiterate that SLC has estate gifts from former members that fully cover the cost of our new instrument. However, we also want to give the congregation the opportunity to take ownership and support this venture. This is why you received the invitation to support the organ yesterday. Gifts toward the organ allow us to use our estate gift funds for other needed improvements and projects.

You may choose to provide a gift by writing a check to place in the offering plate (*be sure to put organ on the memo line*) or by using the SLC App/website (click on the Give or Donate button and choose “New Organ” from the drop-down menu). We look forward to welcoming this new worship leader and enjoying many years of giving praise to God for He is good!

Men's Retreat | Sept 22-24 | Fort Worden

After a year off last year, we will once again have a great Men's Retreat, this at beautiful Ft. Worden in Port Townsend. The weekend will include a wonderful mix of worship, Bible study, fellowship, good food, and free time. Free time activities have included hiking the trails around Ft. Worden, Mountain biking, playing board games, and golfing depending on people's interest. We also will enjoy a beverage on Friday and Saturday before dinner.

Our focus this year will be on three areas that are vital to men and often are stumbling blocks to being part of the church. We have room for over 30 so lets get a great group together this year!

Rooms are singles but modest and all meals are included in the cost this year. We eat at the restaurant/cafeteria at Ft. Worden! The Cost is \$ 250 per person.

Registration is now open!

SLC Ministry at Cottage Bay Apartments is happening this Summer with Esquire Hills Elementary's Principal Hawkins

What's the plan for this exciting summer connection?

A Title 1 Summer Reading Intervention Program for K-4 students living in the Cottage Bay Apartments. Principal Hawkins will be coming to read with students 3 days a week (T/W/Th) for 5 weeks beginning July 11th. Each Thursday at noon SLC will share a sack lunch & drink, along with a fun activity with the children.

Are you interested in becoming a part of this servant team?

+ So far 10 SLC adults/youth have volunteered to listen to children read alongside of Principal Hawkins from 10:45 - 1:45 at least once a week **You can still join the team!**

+ So far 3 SLC adults/youth have volunteered to help prep the Thursday sack lunches ++ More volunteers are needed to partner up at SLC in the Fellowship Hall kitchen on July 13, 20, 27 and August 3, 10. Time: 10:00 - 11:30 Prep lunches at church.

Then if you are able, leave at 11:30 to drive to Cottage Bay, hand out lunches & do an activity until 1:00pm. You can volunteer for one or more days!

Thanks for prayerfully considering this summer ministry!

To volunteer or for any questions, please contact Cathy Bohman, SLC Community Connector, by email at connector@silverdalelutheran.org or give me call at 360-774-1164.
