## Acts 17:24-25

"God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands.  
Nor is He worshipped with men's hands, as though He needed anything, since He gives to all life, breath, and all things."

*My daughter had a recent birthday. She was so happy with the presents that she got she started to cry. After she got done crying and unwrapping presents she asked us a question. She asked what she had done to deserve the gifts she received. We ask a similar question about all that has been given to us by God.*

*Through life we all collect stuff such as toys, prestige, wealth, etc... We may cling to stuff and incorrectly think stuff will lead to a full life, but none of it will. Some day we will all leave this world and also leave behind the stuff. It is not as a result of being a good person that we receive from God what we have. We receive what we have through God's love. Giving back a portion (of time, talent, or treasure) is a way to love God for that which is given to us as a caretaker. Giving on a regular basis is consistent with the benefits given to us.*

## Galatians 6:10

"Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith."

## Good things come to those who wait!

## **UPCOMING CHANGES TO SLC CAMPUS SECURITY**

Due to the FEMA Security Grant that SLC received, we are in the process of purchasing additional cameras, a new access control system for specific doors and a new alarm system. The cameras will aid in providing additional surveillance around the campus and the installation of a new access control system will allow us to lock down doors that have been equipped with 'Access Control' immediately in an emergency situation. Also, we are in the process of purchasing a new facility alarm system that will integrate with the cameras and the access control system.

### **Why does this concern you and how am I impacted?**

With the installation of the new equipment, it will be necessary for Bruce to make contact with each person that currently has access to the church, possesses a key and has a PIN number for our current alarm system.

More to follow as this develops further, but anticipate more communication from the church regarding the installation of these new systems and ultimate follow-up with Bruce to ensure you have the appropriate credentials for continued access.

Questions? Contact Bruce in the office: 360.692.9263  
or [slc@silverdalelutheran.org](mailto:slc@silverdalelutheran.org)

## **NEW FENCE AT SLC!**

**SLC is so grateful** for the work of **Kekoa Lyons and family** in their work to install a new fence surrounding the preschool play yard. Kekoa took on this **Eagle Scout Project** and with assistance from some friends and family, they successfully installed a new fence surrounding the play yard that extended the height of the fence. The installation of the fence creates a safer play yard for the preschoolers and staff. **Way to go Kekoa and many thanks for all you have done to help the preschool yard become a safer place!**

### Central Kitsap Food Bank Contributions

The Central Kitsap Food Bank serves an average of about 145 families each week with help from the community including SLC. The first Sunday of the month (today) is designated as the collection time. You may also bring food during the week or any Sunday if it's more convenient for you. Please bring the contributions to the church narthex, and deposit them in the basket marked "CK Food Bank." Thank you for your help. The Mission Statement for the CK Food Bank is as follows:

*We provide food at no cost in a caring and respectful manner to those in need in our community while preserving the dignity of those we serve.*
