Christian Spiritual Formation

Wednesdays, 6pm-7pm

Sept. 16th - Nov. 4th

SLC Room 4

**Taught by
Bethany Dieringer**

***Does God really care
about us and our
everyday lives?***

***What areas of our
lives change and
grow as we become
more Christ-like?***

Come curious and with your questions as we learn together. Christian Spiritual Formation is a faith-filled journey outlined in scripture which people throughout Christian history have traveled as they learn to listen attentively to the heart of God and answered the invitation from the Holy Spirit to grow in each area of their lives which deeply impacts themselves and their communities. Let's discover how Christ might be inviting us to love and respect ourselves, our neighbors, our community, and world for God's glory.

THANK YOU FOR HELPING OUR PRESCHOOLERS REACH NEW HEIGHTS!

We are so grateful for your generous support of our preschool. Your kindness helps create a safe, joyful place where our children can learn, grow, explore, and discover their own paths.

We are thrilled to announce our school theme for the upcoming year:

PB's Fall Sunday Morning Class "Going Back to Confirmation" Starts up Sunday, Sept. 20th

Ever wish you could do "Confirmation" over again? Or maybe you didn't grow up Lutheran and feel like you missed out on the experience? You are not alone! PB has heard your requests and he is taking us back to school--in the best way possible.

Our Fall Sunday morning class will feature a deep dive into **Luther's Small Catechism**, the tried and true little book used for centuries as the basis for Confirmation. Whether you want a refresher or are learning it for the very first time, this class is for you. Can't come to the mid-week Foundations classes this fall? Participating in all these classes will work for the instruction needed to become a mission partner (member) at SLC.

Why the Catechism? When Martin Luther toured Germany in 1529, he realized many Christians knew very little about the Bible or core convictions of Christianity. He wrote the Small Catechism as a simple, powerful tool to change that. If last year's classes felt a bit too heavy, don't worry! This year, we are focusing on the core essentials in a way that is accessible to all!
